"Addiction"

AB Women's Ministries Mission Focus Theme for 2019-2021
"Humble yourselves before the Lord, and He will Lift you up." -James 4:10

Building on the 2019-2021 ministry focus, "Sisters Seeking Wholeness," and in response to the increase in addiction in the U.S., the mission focus provides American Baptist women and girls the opportunity to explore this critical issue, especially its impact upon women and girls, and how our faith calls us to respond.
