## *"We Need to Talk"*

*"For God has not given us a Spirit of fear, but of power and of love and of sound mind."*

-2 Timothy 1:7 (NKJV)

There are many issues the Church as a whole needs to address, such as addiction, domestic violence, pornography, sexuality and many others. We must demonstrate our faith is relevant to all life, no matter how controversial or difficult the issues. And we must admit we cannot shield our people from touchy topics. Join us as we learn how and why we need to talk about difficult topics.

**Ngozi Robinson** is an ordained Baptist minister with a Masters of Science in Conflict Analysis and Resolution from George Mason University and a Masters of Divinity from Andover Newton Theological School. Ngozi's theology embraces the radical inclusivity and unconditional love that was Christ's example and essence. Her ministry is multicultural, discipleship-focused and emphasizes community and relationship. She is the founder of the People of the Way Ministries.
